

# White Winter Hymnal

Intro: |:I was following the :|

I was following the pack  
All swallowed in their coats  
With scarves of red tied 'round their throats  
To keep their little heads  
From fallin' in the snow  
And I turned 'round and there you go  
And, Michael, you would fall  
And turn the white snow red as strawberries  
In the summertime
